

MISSION STATEMENT

Motivated by my own lived experience aging out of the foster care system, I am committed to creating meaningful change-not just for youth in care, but for all vulnerable communities-through support, advocacy, and access to music and educational opportunities. I believe that with a people-first approach, the arts can be a powerful tool for growth, connection, and lasting change.

WORK EXPERIENCE

Sr. Optical Specialist | Visionworks | Jan 2025-Present

Williamson Music First [CSR/Lesson Studio Manager]
12/22-12/23

Coordinated operations for a busy lesson studio, including managing student/teacher schedules, front-desk communications, and teacher assignments. Managed logistics for recitals and student events, along with check-ins, setups, and communicating with clients and teachers. Handled day-to-day front office operations, including client inquiries and payment processing.

Caregiver
4/19-10/22

Provided care for a child with developmental disabilities, while supporting emotional and behavioral growth. Structured routines and reinforced learning abilities through consistent engagement. Built lasting relationships through empathetic, dependable care.

Texas Woman's University Music Department- Choir Librarian
1/2020-5/2021

Coordinated music distribution and rehearsal preparation for all three of TWU's choral ensembles. Supported event logistics for choral workshops and events, including setup and distribution of music to over 50+ singers. Tracked and managed physical and digital libraries using spreadsheets and cataloging tools.

Frisco School of Music [Voice Lessons Teacher]
2019-2020

Delivered individualized voice lessons for K-Adult students, fostering vocal technique and musical growth. Adapted teaching methods for diverse learning styles and cultural backgrounds. Supported the development of healthy practice habits and artistic confidence in a safe learning environment.
